

# Assigned Numbers

---

You can find a list of well-known UDP and TCP ports in the most recent "ASSIGNED NUMBERS" RFC. The current ASSIGNED NUMBERS RFC is RFC1700 (10/20.94, 230 pages).

You can retrieve RFC1700 (and other RFCs) using a Web browser at the URL:

```
http://ds.internic.net/ds/dspglintdoc.html
```

Or, using an anonymous ftp, from

```
ds.internic.net, directory /rfc.
```
